Built with the road warrior in mind, your bases are covered with the AC-208 3-in-1 stereo headset. Looking to do Voice Over IP and gaming? Use the AC-208 as a standard headset with its deluxe 30 mm dynamic drivers and flexible, noise-canceling boom mic. Looking for a great headphone? Remove the boom mic to create a sleek and stylish headphone. Love your laptop speakers, but looking for a quality mic for your video conferencing? Plug the AC-208's removable mic into any PC's mic input and use it to amplify your voice for all to hear. In-line volume control and mute switch are easily accessible for all users. With the AC-208, your options are vast.
